Minimize downtime.

Fast and easy support.

Value pricing.

When your test equipment is out for service or repair, it's not working for you. Worse is not knowing when you'll get it back. With Fluke Biomedical priority CarePlan packages, you can reduce downtime and know precisely when your equipment returns. Enjoy CarePlan value service and repair rates, and fast and easy support. Choose the CarePlan package that works best for you today.

Here's how it works:

1. Receive your priority CarePlan package from Fluke Biomedical.
2. Enjoy the VIP services and value pricing available under your CarePlan membership immediately.

It's that simple to save and have peace of mind with the Fluke Biomedical's CarePlans!
